Media Must Encourage Families to Create Cooperative Children

- . Children Media Should Focus on Familial Issues.
- . Children Media Have to Encourage Family to Take Part in its Strategy.
- . Children Media Should Address Children to Children Rather Than Adult to Children in Most Cases.
- . Children Media Should be Neutral in Delivering its Message.

Possible Suggestions

- .Working With International NGOs to Help Children.**
- . Broadcasting More Educational Programs to Eradicate Extremism& Cultivating Love Among Children.**

Thank You For Your Attention!
